

JFrame

```
classDiagram
    class JFrame
    class view_MainFrame["view.MainFrame"]
    view_MainFrame --|> JFrame
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a thin gray border containing the text 'JFrame'. Below it is a gray rectangular box with a thick black border containing the text 'view.MainFrame'. A solid blue arrow points vertically from the top center of the 'view.MainFrame' box to the bottom center of the 'JFrame' box, indicating that 'view.MainFrame' inherits from 'JFrame'.

view.MainFrame
